

## FAQ's About Membership

### Q: How much does it cost?

A: Dues are set on a sliding scale based on your organization's annual operating budget. For nonprofit organizations with budgets under \$250,000, dues are just \$60 per year. For affiliates, dues start at \$120 per year.

*MNN's membership dues are half as costly as those of similar trade organizations.*

### Q: My office is a department of a much larger organization. Do we have to pay dues based on the whole organization's budget size?

### Q: Who should submit the membership application?

A: Only the person who will serve as the **main contact** for your organization should submit the membership form. If other staff members at your organization would like to have profiles, receive our Bulletin and email updates, or register for one of MNN's events, there is a place to add them on the renewal form.
