

Massachusetts Community Health Initiative Funds Funding Announcement Webinars

Are you part of a Massachusetts multi-sector partnership, community-based organization, or municipality looking to advance health equity in Massachusetts communities?

Join staff from the Massachusetts Department of Public Health and Health Resources in Action to learn about two exciting new Massachusetts funds focused on community health and health equity: the **Statewide Community Health Initiative (CHI) Fund** and the **Healthy Aging Fund**.

These funds provide capacity and funding in three areas:

- Policy, systems, and environmental change approaches
- Community Healthy Improvement Plan (CHIP) processes
- Healthy aging

Through the webinars, you will:

- Receive information about who is eligible to apply and what may be considered for funding
- Understand how to share an idea to be considered for funding
- Learn about the funds' history, rationale, investment process, and first funding cycle timeline
